Location & Development

Ribera Beach is located in LA MANGA DEL MAR MENOR, just a few minutes walk from the lovely Mar de Cristal, which is an area with a selection of shops and restaurants as well as other facilities. It is the first resort of the Mar Menor that received the blue European Flag for the cleanliness of its beaches. There is a small Nautical Club which includes a sailing school. Just a few minutes drive from the luxury sport complex of La Manga Club, which offers a whole host of activities including golf (there are three courses), tennis, spa facilities, swimming pools, restaurants, bars, clubs, etc.

There are now 6 new golf courses available within the area of the Costa Calida making it a very desirable location. Surrounded by various important towns and villages, Ribera Beach has good connections with Cabo de Palos (an ideal location for diving enthusiasts), just 2-3 minutes drive, El Algar and Los Belones are less than 5 minutes drive, the harbour city of Cartagena is 15 minutes drive and Murcia city is 40 minutes drive away.
